**1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.**

**2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications 18 months from the date of deemed filing date. The USPTO will delay the publication of an application if the inventor files a request under 35 USC 122(b)(2) and must no later than 6 months from the filing date or 90 days from the date of receipt of the request. This application will be deemed to be published 18 months from the filing date or 90 days from the request. Data is stored in a database and is not available to the public unless the inventor files a request for publication or the inventor or the inventor's attorney files a request for publication.
